1 - Pray the Lord,  
 Walk with him  
 Is the only thing we shall do  
 Hold my hand,  
 By me stand  
 With you Lord,  
 We're gonna make us true

2 - Live together,  
 Love forever  
 Is the only thing we can do  
 Take a hand  
 In your hand  
 With de Lord,  
 We're gonna make it true
